WEATHER FORECAST  
ARKANSAS: Fair this afternoon, tonight and Thursday. No important temperature changes. Highest this afternoon 80-84; lowest tonight 58-64.

Experiment Station report for 24-hour period ending at 8 a. m. Wednesday: High 85, Low 54.

## Foiled on China, Vishinsky Turns to Neutral Ban

By MAX HARRELSON

UNITED NATIONS, N. Y. (AP)—Russia's Andrei Y. Vishinsky was expected to make a determined effort today to get the U. N. Assembly to reconsider its decision barring so-called neutrals from the Korean peace conference.

The United States was ready to make just as determined a bid to persuade the U. N. to stand pat on the action it took last month to limit the parity to the countries which fought under the U. N. banner and those willing to line up on the Communist side.

Western diplomats believed they had as good a chance to defeat Russia on the Korean question as they did yesterday, when they won a one-sided victory on the question of seating Red China in the U. N.

At the opening meeting of its eighth annual session, the 60-nation general assembly quickly voted 11-10, with two abstentions, to defer any further consideration of Chinese representation the rest of 1953.

Only the five Soviet bloc countries, and India, Indonesia, Yugoslavia, Norway and Sweden voted against the postponement.

The Assembly's other major action at the session opening was the election of Mrs. Vijaya Lakshmi Pandit, sister of India's Prime Minister Nehru, as its president.

The Korean question was scheduled to come up this afternoon at a meeting of the assembly's powerful 15-nation steering committee. It was not clear, however, just how Vishinsky would approach the problem.

Red China's foreign minister Chou En-lai has demanded that reconsideration of plans for the peace conference be put on the Assembly's agenda as a new item, but the Korean problem already is on the agenda, apparently making such a move unnecessary.

At any rate, Vishinsky was expected to demand that the steering committee recommended top priority for this issue in the 60-nation political committee, here detailed discussion will take place eventually.

Some delegates privately expressed fears the new Communist move to reopen the debate on the peace parity might lead to a stalemate which would delay indefinitely the convening of the conference.

The retiring president of the Assembly, Lester B. Pearson of Canada, said at the opening meeting yesterday the U. N. has decided on its representatives and the next step was up to the Communists.

He warned that failure of the conference might have far-reaching "results of the wrong kind."

## Anti-Red POW Protest China Observers

By ROBERT TUCKMAN

PANMUNJOM (AP)—Anti-Communist North Korean and Chinese prisoners demonstrated violently today against Communist observers at their compounds in the demilitarized zone.

Prisoners in all five stockades hurled stones and screamed, "kill them, kill the Communists," as Red observer teams drove off for their headquarters at Kaesong, a spokesman for the Indian command said. Indian troops guard the prisoners.

It was the first outbreak since the Indians took added precautions to guard against violence two days ago. At that time they stretched canvas in front of the compounds and moved the observers farther back from the stockades.

The Indian spokesman also said four more North Koreans have changed their minds about repatriation and asked to be returned to their homes. This makes 13 North Koreans and one Chinese who have made the switch.

The U. N. Command Wednesday delivered to Indian custody about 2,000 North Koreans who refused repatriation and said 2,000 Chinese would be handed over Thursday.

Wednesday's delivery raised to 9,600 the number of anti-Communist POWs turned over to the Indians. About 14,000 are awaiting delivery.

Meanwhile, the U. N. Command said it will press for an accounting of 3,404 men believed still in Red captivity.

**Blevins PTA Plans First Meet of Year**

Blevins Parent Teachers Association will hold its first meeting of the year in the school auditorium at 7 o'clock Thursday night, September 17, it was announced by Mrs. Glen D. Eley, of McCaskill.

All parents and other interested persons are invited to attend.

NURSING "DONKEY" BACK TO HEALTH — Mrs. India Edwards, left, vice-chairman of the Democratic National Committee, and Mrs. Dorothy Vredenburg, committee secretary, go to work in Chicago, preparing for the two-day get-together of the Committee, the Democratic Party's biggest conference since its defeat in last November's elections.

## American-Born Wife of Long Missing British Diplomat Has Disappeared, Swiss Say

By PETER UEBERSAX

GENEVA, Switzerland (UP)—Swiss police disclosed today that the American-born wife of a long-missing British diplomat has disappeared and that her mother has received an "I'm all right" telegram similar to one signed by her husband when he vanished.

Mrs. Melinda MacLean, wife of Donald D. MacLean, former head of the British foreign office department on American affairs, left Geneva last Friday with her three small children on "a week end visit" and disappeared as he had done May 2, 1951.

Today a messenger arrived with a telegram at Mrs. MacLean's apartment No. 7 Rue des Alpes, it was addressed to her mother, Mrs. Melinda G. Donbar, formerly of New York City, who was staying with her.

Police intercepted the telegram and read it before they gave it to Mrs. Donbar.

It simply said that Mrs. MacLean and the children were all right and that she was not to worry.

But that was exactly the sort of telegram Mrs. MacLean herself received from France, signed by her husband, after he disappeared with Guy Burgess, foreign office expert on Marxism and the Far East.

The authenticity of the first telegram never was established, and Mrs. Donbar said at once she did not believe this one came from her daughter.

There was speculation that Mrs. MacLean and her children might have been kidnapped, or that she had taken the children voluntarily before the Iron Curtain.

Mrs. MacLean had always said that the last she saw of her husband was when she said good bye to him at the door of their country home.

The foreign office has been cautious. Continued on Page Two

## James T. Greene Dies, Burial to Be Held Here

James T. Greene of Greenville, S. C., died Tuesday in a Richmond, Va., hospital. He is survived by his wife, the former Frances Allen of Hope, and three brothers, Joe B. Greene of Hope, John H. Greene of Little Rock, and William Greene of Los Angeles, California.

Funeral arrangements are incomplete. The body will be brought to Hope for burial.

## If Your Living Room Needs a Decorative Trophy Here Is the Dope on How to Get Them

By HAL BOYLE

NEW YORK (AP)—Does your living room need a fresh decorative touch—say, a mounted gazelle over the fireplace or a cozy stuffed rhinoceros charging out of the book shelves?

Well, I've got the facts and figures on how you get them. The statistics were supplied by Frank "Bunny" Allen, a professional white hunter, and his wife, Muriel, who have found brightest Broadway noisier and less comfortable than darkest Africa.

They came here for a visit after organizing a six-month safari during which M-G-M filmed "Mogambo."

"It was the times the size of and don't think it is truly Mogambo, the M-G-M people will fly into a terrible Mogambo."

"It was three times the size of any other African Safari," said Bunny "I doubt if there will ever

## New Mexico Vote Is Incomplete

ALBUQUERQUE (AP)—Incomplete returns from a special New Mexico constitutional change election today gave a resounding margin to proposed repeal of liquor prohibition for Indians.

Also leading was a proposal to allow absentee voting in New Mexico, one of the few states which doesn't already have it.

## Boll Weevil Taking Bite in State Cotton

LITTLE ROCK (AP)—The Crop Reporting Service said today that boll weevil infestation is getting heavier in Arkansas cotton fields, causing some damage to the late crop.

Insect control measures still are being used on some late fields, mainly in the southern counties, the Service added.

The weekly crop report said that picking of early cotton is in full swing in many counties.

Late cotton has been hurt by dry weather, which reduced the yield materially in the northern counties, but generally the harvest is fair to good.

"Rice prospects continue about the same," the summary said. "Harvest is making headway in many counties, but the peak will not be reached until about Oct. 1 in the main producing areas."

Feed crops are badly in need of rain, except in parts of south Arkansas, the report said.

## EX-POLICE CHIEF DIES

JONESBORO (UP)—Former Police Chief Louis Williams, 65, died here today after several earlier attacks. Williams was a Jonesboro patrolman before becoming police chief in 1942, a job he held through 1945. He also had been a deputy U.S. marshal, a farmer and a barber. He was a World War I veteran and a Mason.

Surviving are his wife, one brother and three sisters.

## Sees End Jan. 1 to Profits Tax, Income Tax Cut

WASHINGTON (UP)—Secretary of Treasury George M. Humphrey said today that enough progress has been made toward balancing the budget to let personal income taxes drop and the excess profits tax die Jan. 1 as scheduled.

Humphrey said at a National Press Club luncheon that in the meantime the treasury is "working diligently" on a new tax program which the President will submit to Congress in January.

So far the treasury was studying some 40 proposals for maintaining federal revenue. They include a national sales tax, changes in personal income taxes, capital gains taxation, and corporation taxes, and new rules for writing off depreciation of factories and equipment.

The excess profits tax will die and personal income taxes will fall around 10 percent Jan. 1 under present law, Humphrey made it clear that there is no present intention of asking a postponement of either.

The secretary said "We are continuing to make progress toward balancing the budget and we are going to keep right on trying in every reasonable way to do so."

But he said "We cannot afford to take the broad-tax approach to reduction of the money we are spending for defense, and we have not done so."

Soviet possession of the H-bomb, he said, is "additional shoring evidence" to be considered in what he called the administration's "careful" review of U. S. defenses.

Humphrey said the new tax program will provide "the revenue which will be needed on the basis of spending estimates in the next budget."

He added that it will propose revisions in present tax laws to "remove many inequities and injustices and provide the fewest obstacles to the healthy growth and expansion of our economy."

Humphrey said the administration is "trying to make the money of America honest and sound so that it will better serve the well-being of the American people."

## Lodge's Aid Sought in Firing Workers

NEW YORK (AP)—Sen. Joseph R. McCarthy (R-Wis.) is seeking aid from Ambassador Henry Cabot Lodge Jr. in a move to get the United Nations to oust an official who McCarthy says has been aiding communism.

McCarthy announced that he was taking the case up with Lodge, chief U. S. delegate to the U. N. The senator is conducting closed hearings here of his Senate permanent investigations subcommittee, looking into communism among Americans on the U. N. payroll.

McCarthy, who did not identify the American official whose ouster he sought, told newsmen: "He should be gotten rid of instantly. Regarding questions put to him concerning his alleged Communist activities, that witness had the worst memory of any witness we have had before us to date."

McCarthy said, however, that the official admitted friendship with Communists and contributions to Red organizations.

The witness, who McCarthy said has been drawing \$12,000 a year at the U. N. secretariat since 1946, was questioned yesterday. McCarthy reported his testimony during a luncheon recess of the closed hearing.

McCarthy said the witness, whom he described as "a high official" in the U. N., admitted having pleaded guilty in 1941 to a morals charge involving himself and another man.

The senator said that at a luncheon with Lodge he gave the U. N. delegate "a rough run-down on the stuff we have produced and hope to produce at the hearings."

## Talking Crow Brings Help

SYRACUSE, N. Y. (AP)—Shrieks of "Help, Velma" brought sheriff's deputies on the run to the countryside along Nine Mile Creek yesterday.

They found a crow perched in a tree—and two boys who explained that the bird had been trained to squawk for aid. The lads dashed up as one of the deputies was about to shoot the pet of Walter Pope, proprietor of a gasoline station. The officer held his fire.

Mrs. Bridget Gawarski, who lives near the creek reported the cries to the sheriff's office.

They found a crow perched in a tree—and two boys who explained that the bird had been trained to squawk for aid. The lads dashed up as one of the deputies was about to shoot the pet of Walter Pope, proprietor of a gasoline station. The officer held his fire.

Mrs. Bridget Gawarski, who lives near the creek reported the cries to the sheriff's office.

## Council Rescinds Action for Arena on 7th Street

Hope City Council last night rescinded action on a previously approved motion to furnish light poles and fixtures for the Livestock Show arena south of East Seventh in the 900 block.

The group took action on two street proposals, the first to gravel East 23rd from Main east to the city limits and voted to start condemning property for right-of-way for the continuation of Edgewood from Seventh to Shover.

An ordinance was passed providing for the purchase of building No. 22 in the industrial area of the Paving Ground for the sum of \$12,000. Under the provisions the building is being resold on monthly installments to Hope Manufacturing Co.

In other action the group passed proposals for insurance on city workers; voted to pay the sum of \$750 to the mother of Thomas Gulliams, city worker who was killed in an accident; named a committee to relocate the steaming equipment now housed at the City garage; and agreed to accept bids for repair to the Community Center building.

## New Deal Is Victorious in New York

By WATSON SIMS

NEW YORK (AP)—The New Deal wing of the Democratic party in New York administered a resounding defeat to the conservative branch in scoring a near clean sweep of city primary elections yesterday.

Manhattan Borough President Robert F. Wagner, Jr., rolled up almost a 2 to 1 margin over incumbent Vincent R. Impellitteri for the nomination for mayor.

Wagner's candidates also won nomination in the two contests for other city-wide offices and in three of four contested races for nomination as borough president.

With returns totaled from 4,280 of the city's 4,302 election districts, Wagner led Impellitteri by 335,413 to 176,003.

The election represented a major triumph for such nationally known Democrats as Rep. Franklin D. Roosevelt Jr., Sen. Herbert H. Lehman and Averell Harriman, former mutual security director.

The outcome appeared to curb an attempted political comeback by former Democratic National Chairman James A. Farley.

The voter turnout was surprisingly light, although control of both the city and state democratic machinery was at stake. The total Democratic vote ran well below the record 800,000 cast in 1937.

The victory apparently cemented control of the city and state party leadership in the hands of the Manhattan (Tammany) Hall and Bronx Borough chiefs.

Impellitteri won as an independent in 1950 after being snubbed when the party considered a candidate to complete the unexpired term of resigned Mayor William O'Dwyer, servative wing, including leaders

## Three Hope Youths Slated for Draft

LITTLE ROCK (AP)—Arkansas Selective Service boards have called 280 men for induction into the armed services during October.

The number to be furnished varies from one at a number of smaller points to a total of 17 from the three Greater Little Rock boards.

The call was issued by Brig. Gen. E. L. Comper, Arkansas Selective Service director.

The quota by individual boards includes: DeWitt 4, Rogers 5, Warren 2, Arkadelphia 4, Magnolia 7, Morrilton 3, Jonesboro 10, Van Buren 2, Marion 4, McGehee 3, Hamburg 3, Conway 4, Hot Springs 6, Paragould 8, Hope 3, Malvern 3, Batesville 4, Pine Bluff 10, Texarkana 4, Blytheville 10, Camden 8, Helena 6, Harrisburg 5, Mena 2, Russellville 3, Forrest City 3, Benton 3, Fort Smith 8, DeQueen 2, El Dorado 8, Fayetteville 7, Searcy 8.

## Telephone Men to Hear Moses

HOT SPRINGS (AP)—Gov. Cherry and C. Hamilton Moses, chairman of the board of Arkansas Power and Light Co., will address the 31st annual convention of the Arkansas Telephone Association here next Monday and Tuesday at the Majestic Hotel.

Moses will speak Monday on "Private Enterprise — You Can Make It Work."

Cherry's speech Tuesday will be on "Arkansas and Taxes."

E. M. Blakeslee of Santa Monica, Calif., president of the United States Independent Telephone Association, will be among other speakers.

R. D. Tucker of Crossett is president of the Arkansas association, which is compared of the state's 92 "Independent" telephone companies.

The glamorous movie star has received two letters threatening her and her daughters with death if she did not agree to reconciliation with former husband Aly Kahn and father of Yvonne. (NEA Telephone)

## Indochina Reds Preparing All Out Battle

HANOI, Indochina, (UP)—Communist rebels were reported today preparing for an all-out "battle of destruction" against French defenders of the key Red River delta.

French sources said the Viet Minh rebel leaders consider this their last chance to stop the growth of the Viet Nam national army which is developing rapidly.

The Reds also were said to be anxious to take the initiative before more aid can arrive from the United States.

The Communist command was reported to have set yesterday as the deadline for springing its offensive campaign but was still jockeying for better positions.

French Supreme Commander Gen. Henri-Eugene Navarre kept harassing the rebel forces to keep them off balance and delay their offensive further.

A French spokesman said if the Communists should win the impending decisive battle all of Southeast Asia would be opened to Red domination.

Movements of at least five rebel divisions have been reported in the delta region.

The Viet Minh 320th division moved out of Than Hon toward the southern part of the delta and advanced elements were spotted only 30 miles south of Hanoi in jungle areas paralleling national highway No. 1.

Other reports said the Red 312th Division was ready to spring from the northwest, the 308th from the west and the 304th from the extreme south of the delta. A new heavy armored Viet Minh division supplied by the Chinese Communists recently has been constituted, the reports added.

Tornadoes helped raise the number of people killed in accidents which took five or more lives in the United States during the first half of 1953 to 1,100.

From drought conditions to the best hay crops in many years is the picture of this section of Arkansas but it's not so bright in the way of feed in other areas . . . it's predicted that stockmen of surrounding states will be seeking hay here before spring . . . and there is some complaint from farmers that the current hot, dry days are causing cotton to open too fast but despite this possibility picking season is a week or two off yet.

Personnel changeover seems to be the order of the day in Hope and recent changes have Mrs. Mary Bright opening her own alteration shop on South Main . . . Lowell Robertson is leaving the Hempstead Farm Co-op store for Cabot and will be replaced by Dewey McKnelly . . . Julian Hoesy has taken over the Downtown Texaco Station at Walnut and Third . . . D. June Cornelius is now working for Moore Bros. and Mrs. Pauline Sanders has joined the Montgomery Ward staff . . . and Mrs. Christine Parks, Ben Owen's secretary, will leave this week to make her home in Tex-

Candy Candido Master of Ceremonies at the Third District Livestock Show's stage extravaganza Sept. 20-21 will be none other than Candy Candido, comic of stage, screen, radio and television. He is the "Little Man With a Thousand Voices" and heads a Galaxy of Stars who will appear in games in the Coliseum the first two nights of the show.

## Atomic Battalions Slated for Europe

WASHINGTON (UP)—More than six atomic artillery battalions will be sent to Europe under American plans to give the West an atomic punch on the ground as well as in the air, informed military sources said today.

Each battalion will be equipped with 16 mammoth 280 MM guns of the type tested last May at the Atomic Energy Commission's Nevada Proving Grounds.

The May test indicated to some authorities that the gun's relatively small projectile—11 inches in diameter and about three feet long—picks a wallow equivalent to that of the A-bomb dropped on Hiroshima from a giant B-29 bomber on August 9, 1945. That bomb had an explosive power equivalent to 20,000 tons of TNT.

Wells said Pierce, in reply to officers' questions, would say only: "Aw, nobody will believe I beat my own baby."

## Accident Occurs Near Airport at Albany, N. Y.

By JOHN L. CONSIDINE

ALBANY, N. Y. (UP)—A two-engine American Airlines plane crashed and burned near the Albany airport today and all 28 persons perished.

A Boston-to-Chicago plane had 25 passengers and three crew members aboard when it struck two radio towers and plunged to earth as the pilot made a desperate attempt to reach the airport.

Witnesses said the plane appeared to be in trouble as it tried to make its landing approach, and that one engine was aflame and backfiring. It hit the radio tower, slicing 10 feet off one wing, then plummeted down and burst into flames.

Debris was scattered over a

## Editorial In The Memphis Press-Scimitar June 23rd A MOVING PICTURE OF CORONATION GLORY

Would Britain have been justified in spending the vast sums she did spend on the coronation if its glory had been seen only by a few in London, if the story of it did not go around the world in a motion picture of color and music?

That might be debated. But since the story is going around the world in a magnificent motion picture, there is no question about it.

To see the production by J. Arthur Rank, now at the Saenger Theatre in Hope, is to see the Coronation of Elizabeth II better than if one had crossed the ocean. For anyone who attended in person, no matter how good his seat, could see only a part of the pageant. Here one sees all of it that was significant.

To see this picture is to spend an hour with the centuries. It is to understand and appreciate the British Empire and Commonwealth whose power was always wielded with some regard for Christian Conscience.

The Coronation of Elizabeth II was undoubtedly the most brilliant spectacle ever staged. The synthetic spectacles of Hollywood cannot be compared with it. Here real life has surpassed art.

As the New Yorker critic said, surely even an Irish Republican could not help but like this picture.

The mantel held an arrangement of late summer flowers in a large crystal bowl. Other arrangements of summer flowers were placed at points of interest throughout the entertaining rooms.  
The honoree's chair was marked with a corsage of miniature kitchen utensils.  
Miss Tittle wore a tulle-trousseau frock of navy linen fashioned with a belted jacket and pleated skirt. During the playing of several games prizes were won by Mrs. Jim Simpson, Mrs. Y. C. Coleman, and Mrs. Martin Green. The prizes were presented to the honoree. Food and drinks were served to those present.

## Miss Teresa Bonds Has Church Ceremony

The wedding of Miss Teresa Ann Bonds, daughter of Mr. and Mrs. Roy Lee Bonds of Blevins, to Hoyett A. Newsom, son of Mr. and Mrs. C. E. Newsom of Hot Springs, was solemnized in the Baptist Church of Route 5, Blevins, Saturday evening, September 12, at 6 o'clock. The impressive double ring ceremony was performed by the Rev. Floyd Simmons of Little Rock.

The church was decorated with Southern Smilax, ferns, and floor baskets of white gladiolus. White cathedral candles in seven-branched candelabra cast a soft glow over the church.

A program of musical music was presented by Miss Betty Jean McMoran of Hot Springs, pianist, and the soloist was Mrs. T. V. Martin of Lufkin, Texas, aunt of the bride. While Miss Martha Ann Sutton of Hope and Miss Adelle Rodde of Blevins lighted the tapers "Leibetstern" was played. Miss Sutton and Miss Rodde chose ballerina length dresses of blue net over tulle. Their flowers were wrist corsages of pink and white asters. Preceding the entrance of the bride party, Mrs. Martin sang "I Love You Truly" and "Because" while the bride couple knelt on a prayer bench. The traditional Lohengrin and Mendelssohn wedding marches were used. Miss McMoran wore a pink net over tulle of ballerina length and her corsage was of blue carnations. Mrs. Martin was in brown net over tulle and wore yellow carnations in her hair.

The bride, who was given in marriage by her father, wore a white ballerina frock of nylon net and lace over tulle with a fitted bodice and portrait neckline. A pleated ruffle of nylon net accented the full skirt. Her fingertip veil was attached to a chivalry lace hat. She carried a white Bible topped by a single orchid and showered with satin ribbons and Stephanotis. Miss Nell Jean Bonds, sister of the bride, was maid of honor. She wore a blue and white nylon net over tulle ballerina length dress with a matching stole and carried a cascade bouquet of pink and white asters.

Bridesmaids were Misses Betty and Nella Stringer of El Dorado. Miss Betty Stringer chose a ballerina dress of pink net over tulle with a matching stole and carried a cascade bouquet of blue daisies. Miss Nella Stringer chose a ballerina dress of pale green net over tulle with a matching stole and carried a cascade bouquet of pink and yellow asters.

Following the ceremony a reception was held at the home of Mrs. E. E. Gustafson, aunt of the bride. Members of the wedding party and the parents of the bride couple formed a receiving line in the living room where they received their guests.

The bride table was covered with a lace cloth and centered with a reflect which held the bride's bouquet flanked by crystal candleholders with glowing white tapers. Tied with white satin bows of ribbon, the two-tiered cake was embellished with gardenias and topped with a miniature bride and groom encircled by ferns. Punch was served from a blue punch bowl and cups to the guests and blue napkins bearing the names of the bride and groom were used. Mrs. Grandison Royston, Jr., Mrs. Theo Bonds and Mrs. Dale Bonds assisted in extending courtesies in the dining room. Mrs. Hudson Avery was in charge of the bride's book.

Mr. and Mrs. Newsom left for a wedding trip to New Orleans, after which they will be at home in Hot Springs.  
For travel, the bride chose a navy and white striped two-piece fall suit accented by navy velvet lapels. Her hat was a crown style of red velvet and other accessories were navy velvet. She plumed an orchid at her shoulder.

Out-of-town guests included Mr. and Mrs. C. E. Newsom and Kaye; Mr. and Mrs. M. L. Childs and sons; Mrs. Lois Jones, Mr. and Mrs. Harold Hutzel, Miss Barbara McKenzie, Miss Betty Jean McMoran, Mr. and Mrs. W. C. Newsom and Margaret Ann, Miss Jeanette Givins, Miss Shirley Ann Road, Miss Dorothy Lowery, Mr. George Merriott, Mr. Edwin Midliff all of Hot Springs; Mr. and Mrs. Tilgus Martin, Tim and Gary of Lufkin, Texas; Mrs. Vernon Stringer, Betty and Nella of El Dorado; Mrs. Coy Nolen, Rebecca, Bill and Nancy Nolen, Mrs. J. W. Bostick of Hooks, Texas; Mr. and Mrs. Floyd Simmons of Little Rock; Mrs. Hudson Avery of Texarkana; Dr. and Mrs. C. D. Royston, Mr. and Mrs. H. E. Sutton and Martha Ann Sutton, Mrs. Donat Parker, Mr. and Mrs. Theo Bonds, all of Hope.

Fall fashions from Paris reveal skirt lengths generally to be slightly longer than in the past. Shorter skirt lengths are expected to reach this country by spring but these will not be drastically short. Pierre Balmain does a version of the short evening ensemble (left) in pink, mauve and blue brocade. Bodice top is outlined with folds of pale mauve chiffon. Chamois colored jersey (left center) by Jean Patou has paneled front and width at top. New season silhouette is shown (right center) in Balmain's black, gray and white marble print that has tiny waistline wrapped with pure blue satin cummerbund. Suit by Jean Dessès (right) is in mixture of black and brown faced with wide pleated pockets and shoulder width. It's worn with small brown velvet hat. Emphasis is placed on the top half of the figure and bosomline is high and stressed in new silhouette.

J. W. White, read "How to Care for the Modern Kitchen" and many household hints.  
It was voted not to have a booth at the Livestock Show; to donate socks to Crippled Children's home in Little Rock; and to have a rummage sale, date to be named later. Recreation prizes were won by Mrs. Roy Baker, Mrs. W. M. Hargis, Mrs. Charles Roberts, Mrs. L. E. Aslin and Mrs. Lawrence Easterling. The hostess served refreshments to ten old members, one new member, Mrs. W. W. Woods and three visitors, Mrs. L. E. Aslin, Mrs. Charles Roberts and Mrs. W. M. Hargis.  
The October meeting will be in the home of Mrs. J. W. White.

Shower Springs  
Mrs. Lorraine Blackwood, Home Demonstration agent, twelve members, two visitors, Mrs. Sam Warlick and Mrs. Barham from Hope, and eight children met at the home of Mrs. L. H. Byrd Wednesday, September 2 for the Shower Springs Home Demonstration club meeting.  
The club creed was repeated, followed by the song "Lord, I want to be a Christian." Everyone enjoyed the devotional, "Common Place Things" given by Mrs. Warlick. After the roll call, the minutes were read and approved.  
A booth for the Livestock Show was discussed and a committee appointed to make plans. Mrs. Tony Greenlee gave a report on book-keeping. In the absence of Mrs. Aaron, Home Management leader, Mrs. Blackwood gave a talk on cleaning furniture and upholstery and refinishing furniture. She also showed the necklace made of sequins and beads.  
A number of boxes of Christmas cards were sold.  
Mrs. George Waldron led the group in playing games. Mrs. Raymond Johnson, Mrs. Bob Ottwell, Mrs. Vernon Pale, Mrs. Kenneth Russell and Mrs. Charlie Back received gifts from their secret pals.  
Ice cream, cake, and punch were served. The next meeting will be with Mrs. R. P. Fuller on October 7.

Coming and Going  
Miss Mary Louise Copeland left Tuesday for a visit in Jackson and Brookhaven, Miss.  
Births  
Mr. and Mrs. Armand W. Kitto, Jr., of New Orleans announced the arrival of a son, Lawrence Budger Kitto, on September 7 at Mercy Hospital. Mrs. Kitto is the former Margaret Marshall, daughter of Helen Ruffin Marshall and the late Fred C. Marshall, and niece of Ike T. Dall.

Baker  
An article on "Food Preservation by Atomic Radiation" was read and discussed by Mrs. T. B. Fenwick, Sr., president of the Baker Home Demonstration club at the September meeting in the Fenwick home on W. Avenue B.  
Home Management leader, Mrs.

## DOROTHY DIX

### He's No More Than \$

Dear Miss Dix: I sure would appreciate anything you could do to help me out of this mess. Two years ago I married a widow with two daughters, 13 and 15. My wife at the time was 37. I was fifteen years older. I have done my best to be a good father to the girls, helping with their education, etc. They refuse me even the courtesy ordinarily extended to a stranger. They seem to regard me as an intruder. They discuss everything with their mother, who makes decisions, without consulting me. My wife refuses to speak to the girls about being more pleasant to me. At the beginning of our marriage we were involved in so much expense that I took a job in addition to my regular work, making a total of about 16 hours a day. Now, if I suggest giving up one job, my wife becomes very indignant.

C. N.  
He's Dealing With Ingrates  
Answer: Some of the details of your position I have omitted for lack of space, but the whole thing adds up to one clear summation: you have been taken for a fool, Mister, and no mistake. Your wife engineered you into a marriage that would prove materially beneficial to her and her daughters. There evidently has never been any thought for your welfare. Don't be foolish enough to try to satisfy these females in your family; they are money mad, and no amount of personal interest or concern means anything to them. You are a dollar sign in your household—and nothing more.

It would be a good idea for you to see a family counselor who will help you unravel threads of your domestic plight. I hope you'll be shown a way to shed these parasites.

Dear Dorothy Dix: I'm in love with Sally, and though I still date her and we talk about marriage, I don't believe she really cares for me. She doesn't like me seriously, wants her own way in everything, and is very inconsistent.

## Alexandra May Be New Glamor Queen

By MARGARET SAVILLE  
LONDON (UP) — Secret discussions are going on in the royal family about the future of beautiful 16-year-old Princess Alexandra of Kent, who may soon replace Princess Margaret as Britain's No. 1 glamor girl. It was learned today.

Already society's young men are flocking round the tall, blue-eyed, blonde princess wherever she goes. Older bachelors are delighted with her conversation and fascinating laugh.

Princess Alexandra is the daughter of the beautiful Greek-born Duchess of Kent and the late Duke of Kent. She is the first cousin of Queen Elizabeth and Princess Margaret and was the favorite granddaughter of the late Queen Mary.

"Sandra" will make her social debut when the court returns to London from Scotland next month. Court circles believe that her charm and poise will create a sensation.

"They believe she will be the talk of the town in London, just as Princess Margaret, now 23, has been since the marriage of her sister."

The laws of 1911 Salvador require every man to vote.

It is believed that all dogs are descendants of the common wolf.

**YOU MAY HAVE PIN-WORMS AND NOT KNOW IT!**  
Pinworming, non-pleading and a tormenting pest that is often overlooked. Pinworms... only parasite that medical experts say... infant one out of every three... not examined. Entire families may be victims and not know it.  
To get rid of Pin-Worms, these tablets must not only be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do... and here's how they do it.  
First—a scientific coating carries the tablets into the bowels before they dissolve. Then—Jayne's Pinworms... medically-approved... in gradient slow release to work—kills Pin-Worms quickly and easily... without the danger of this dangerous, highly contagious condition. At the first sign of Pin-Worms... the small, easy-to-take tablets... tested by famous Dr. D. Jayne & Son, specialists in worm remedies for over 100 years.

## Juniors Open Season Thursday Night at Hammons Stadium; 'Cats to DeQueen Friday Night

While Coach Lawrence Martin is working his Bobcats hard in preparation for the game at DeQueen Friday night, Coach Byron Thompson is taping his Bobcats off, getting ready for the invasion of the Terrell Junior Parkers here Thursday night at 7 o'clock.

It will be the first outing of the season for Coach Thompson's Junior crew.

Meanwhile a couple of Bobcats injured in the opening contest with Stamps, a 12-12 tie, are coming around and will be ready by Friday night. It's safe to say that the Bobcats will go all out to lick the Bobcats.

From the Sevier County newspaper, the Daily Citizen, comes the following report on the series:

"Any class A football team that does battle annually with a double-A outfit can expect to get its lumps, and De Queen teams have done that on 10 occasions since 1930, when the two schools started meeting each other more or less regularly.

On the other hand, the Leopards have won four games of this series, the first local victory coming in 1939 when a Bobcat team that already laid claim to the state championship was upended, 12-7, by a fired-up De Queen crew, and on Hope's field too.

"The longest run for the Leopards was two years—1950 and 1951. The locals turned the trick 19-0 in 1950 with Buddy Bob Benson scoring for one touchdown, passing to Buddy Smith for another. Donald Renfrow ploughed for the third one, and the Leopards forwards outplayed the Bobcats throughout.

The next season it was 20-0, the most one-sided De Queen victory of the series.

James Hubbard made one of the De Queen counters. Benson tallied twice and Martin Smith got the fourth one. De Queen controlled the game throughout.

Worst whipping ever dealt out by Hope to De Queen was last year's 41-0 affair, and yet that was a 7-0 ball game seconds before the end of the half.

As usual, the Leopards will be underdogs this time around, but by a narrower margin than usual. The advantage of a home field, and a natural desire to avenge for that 41-0 whumping, might cause the Leopards to play a little harder.

Here are the results, from 1930:

1931—De Queen 7, Hope 7  
1932—De Queen 0, Hope 41  
1933—De Queen 20, Hope 6  
1934—De Queen 0, Hope 12  
1935—De Queen 0, Hope 34  
1936—De Queen 24, Hope 13  
1937—De Queen 0, Hope 19  
1938—De Queen 0, Hope 13  
1939—De Queen 0, Hope 37  
1940—De Queen 12, Hope 7  
1941—De Queen 0, Hope 7  
1942—De Queen 0, Hope 24  
1943—De Queen 0, Hope 12  
1944—De Queen 0, Hope 12  
Totals—De Queen 44, Hope 10. Total points scored by De Queen 67. Total points scored by Hope 245.

Although their country is in the Northern Hemisphere, residents of El Salvador call the May-October wet season winter and the dry months in the rest of the year summer.

## OUT OF DOORS with Field &amp; Stream

By AL McCLAIN  
Fishing Editor

The national craze known as spear-fishing is being subjected to considerable debate at the moment, concerning the ethics of snaffling fish with an underwater shooting iron.

Red-and-reelers claim that the Junior Frogmen are messing up our ocean bottom and in general scaring the daylight out of otherwise available fish. The snappers leave their reefs, grouper head for the deep, and the amiable barracuda paddles off to blue water.

Recently I resolved to find out I bought an Aquatic mask, rubber lead belt, gauge of talcum powder, some basic equipment among the local spear-fish talent.

I've since found out that the large size Aquatic is not very practical for the hobbyist. It takes about 1900-2000 pounds of air, which is good for one hour submerged. I think it's smarter to get two half-hour tanks, as they are smaller, lighter, and sit better between your shoulders. The big tank tends to slide, which throws you off balance and makes breathing difficult.

Most important, get your frog feet made of soft gum rubber, because the hard rubber will scrape your ankles after awhile. And for your ankles that run on our north coast, you'll need longjohns underneath if you dive around the 10-foot line.

My first venture into the silent world was a place called Doolittle Lake, Connecticut. This was probably the only smart thing I have ever done. Being a lake, there was nothing to contend with but water—no hammerheads, rip tides, kelp beds, giant clams, or similar distractions. All I wanted to do was take pictures of fish and study the lake bottom.

It was a strange sensation going down. I took two or three drags of pressurized air, which you suck out of a rubber mouthpiece that hoses out of the tank on your back. Big clouds of bubbles greeted you of the regulator and a few fish swam up to take a look.

The appearance, made as a "gag," was fun, says Ginny, but "I felt so bare to those fathers. Suppose they had slipped?"

## SPORTS ROUNDUP

By GAYLE TALBOT

NEW YORK (U)—Lookhere—all this loose talk about what Brooklyn would have done to the Yankees if they had been playing in the same league is getting out of hand.

When Dizzy Dean said the National League would have distanced the world champs by 15 games over the season, that was all right. Of Diz is a sort of special character. But when such an otherwise temperate man as Harry Danning, the Giants catcher of a few years back, puts the Dodgers' superiority at 10 games, it's time to start counting buttons.

In an interview here, Harry the Horse opines that Brooklyn's "deceptive" pitching staff and its array of sluggers would wear the Bombers out over the long haul. And yet, in the next breath he picks the Yankees to win the World Series. What sort of reasoning is that?

Let us be cool—even Dodge fans. Sure, Charlie Dressen's heroes won it by a mile, and in the process they shattered team and league hitting records by the dozen. They're hot stuff. But they still have a scatter-gun pitching staff, and how in the world anyone can figure they would have run over the Yankees, not to mention Cleveland and Chicago, is beyond fathom.

The Yankees, let us note, overpowered their league by as impressive a margin as the Dodgers did theirs. Professor Casey Stengel's boys didn't exactly limp in. So argue the Brooks ran away from a stronger group of clubs than the Yanks did. That is at least debatable, no matter the result of the all-star game. Any National League fan who wants to be entirely honest must concede that one reason far the Dodgers' romp was the utter collapse of the New York Giants, who had figured to give them an argument.

The fact that five 300 hitters are packed into the regular Brooklyn line-up against the Yankees' two, as of this writing, should not be taken too seriously. A comparison of the current averages of the leading hitters in each league indicates very strongly the American Leaguers have faced the better pitcher. Ten National

## Barons, Vols in Southern Finals

NASHVILLE, Ten. (U)—Two hurlers, who began the year as teammates, face each other tonight when Birmingham meets Nashville in the opening game of the Southern Association playoff finals.

Winner of the best four-out-of-seven affair will meet the Texas League playoff champs in the Dixie Series.

Jim Constable, the Vols' south-paw ace, gets the starting call tonight.

Opposing him will be veteran Pete Maloney, a righthander who started the season with Nashville but was released unconditionally a short while later.

The Vols hold a 12-10 margin over Birmingham for the season.

Since they have survived this long it's unlikely that any of the skippers will be fired or quit with only a week and a half to go. Post-season changes are another matter.

In only 10 other seasons dating back through 1901 the year the American League was organized—have one set of managers gone through the entire year. The last time it happened was 1947. Before that it was 1942.

Even this year didn't escape with out strong rumors. In June the odds were strong that Rogers Hornsby, a familiar figure in mid-season changes, wouldn't be around Cincinnati much longer. Hornsby is still there although he hasn't been rehired for 1954.

A cellar-dwelling outfit early in the season the Redlegs picked up abruptly toward late June and the rumors of a sudden managerial switch died. The Reds now are in sixth place, two games behind the fifth place New York and three ahead of seventh place Chicago.

They beat the giants 4-3 last night and get a chance to shake off another game today.

In other National League games yesterday and last night Philadelphia broke Chicago's 10 game winning streak with a 4-2 decision. Brooklyn edged St. Louis 4-3 on Duke Snider's two-run pinch hit homer in the ninth inning and Pittsburgh beat Milwaukee 7-5.

With the pennant pressure off Cleveland's shoulders the New York Yankees 1-0 as Bob Lemon won his 20th game. Chicago whipped Boston 6-0 in the only other American League contest.

Robin Roberts, who hit the 20 game victory circle back on Aug. 12, won his 22nd game in stopping the Cubs.

Snider's home run, his 39th, gave Brooklyn its first victory since it clinched the National League flag Saturday.

Young Steve Kraly can't have a very high opinion of the hitting strength of the New York Yankees. The Yankee Rookie has started two games and just both on shutouts. He gave only four hits yesterday but the Indians put two of them together in the first inning along with a walk to score the one run they needed. Lemon now has won 20 or more games in five of the last six seasons.

Moody at Fighting Crossroads Tonight

CHICAGO (U)—Alan Moody, regarded as one of Chicago's most promising welterweights, will be at the crossroads of his whirlwind 21-months fighting campaign tonight.

Moody, winner of 26 of 27 bouts will get his first test against a "name" opponent. He tangles with speedy Del Flanagan of St. Paul in a 10-round, nationally-televised scrap in Chicago Stadium. It begins at 8 p. m. CST.

The clever Flanagan, although only 24, is a veteran of 72 pro bouts. He has won 62, lost eight and had two draws.

Czechs Are Streamlining Government

VIENNA, Austria (U)—Prague organization of Czechoslovakia, Communist government today. The emphasis seemed to be on streamlining and centralizing operations rather than on purging disgraced officials.

Premier Vilem Siroky remained head of the government under President Antonin Zapotocky, but he "Soviet-style" presidium of premier and numerous vice premiers set up last February to control the government apparently was replaced by a three-man committee.

This new "high command," Prague Radio said, is composed of Siroky and two former presidium members. State Planning Chief Jaromir Dolansky and Defense Minister Aleksi Cepicka, who became the new Cabinet's only vice premiers.

Along with Siroky and his two deputy premiers, Communist party boss Antonin Novotny continued a major figure in the Czech setup. He remained first secretary of the party's central committee and thus regained control of the powerful party organization.

The reorganization was the first major shakeup in the Czech government since zapotocky stepped up from the premiership on the death of President Klemen Gottwald last March and Siroky moved into the premiership.

The shakeup follows months of widespread unrest in Czechoslovakia, including riots over food shortages and a drastic currency revaluation in May.

## Season Rare - Managers of Baseball Finish

By BEN PHLEGAR

AP Sports Writer

The 1953 major league baseball season looks as if it's going to be one of those rare years in which the 16 managers who started in April are going to finish in September.

Since they have survived this long it's unlikely that any of the skippers will be fired or quit with only a week and a half to go. Post-season changes are another matter.

In only 10 other seasons dating back through 1901 the year the American League was organized—have one set of managers gone through the entire year. The last time it happened was 1947. Before that it was 1942.

Even this year didn't escape with out strong rumors. In June the odds were strong that Rogers Hornsby, a familiar figure in mid-season changes, wouldn't be around Cincinnati much longer. Hornsby is still there although he hasn't been rehired for 1954.

A cellar-dwelling outfit early in the season the Redlegs picked up abruptly toward late June and the rumors of a sudden managerial switch died. The Reds now are in sixth place, two games behind the fifth place New York and three ahead of seventh place Chicago.

They beat the giants 4-3 last night and get a chance to shake off another game today.

In other National League games yesterday and last night Philadelphia broke Chicago's 10 game winning streak with a 4-2 decision. Brooklyn edged St. Louis 4-3 on Duke Snider's two-run pinch hit homer in the ninth inning and Pittsburgh beat Milwaukee 7-5.

With the pennant pressure off Cleveland's shoulders the New York Yankees 1-0 as Bob Lemon won his 20th game. Chicago whipped Boston 6-0 in the only other American League contest.

Robin Roberts, who hit the 20 game victory circle back on Aug. 12, won his 22nd game in stopping the Cubs.

Snider's home run, his 39th, gave Brooklyn its first victory since it clinched the National League flag Saturday.

Young Steve Kraly can't have a very high opinion of the hitting strength of the New York Yankees. The Yankee Rookie has started two games and just both on shutouts. He gave only four hits yesterday but the Indians put two of them together in the first inning along with a walk to score the one run they needed. Lemon now has won 20 or more games in five of the last six seasons.

# Plymouth Hy-Drive

Newest, smoothest, least expensive  
no-shift driving in low-price field

Thousands of motorists today are enjoying  
the spectacular performance of Plymouth Hy-Drive

*It's Smooth*  
—one flowing motion!  
No noises, jerks or lurches  
in going from one speed to  
another. Your car can't  
up-shift or down-shift on you  
unexpectedly.

*It's Powerful*  
—for a fast, positive getaway.  
There's no racing of the  
engine to get started, no  
"winding up."

*It's Versatile*  
—holds your car without  
using the brakes while halting  
on a hill. You get good  
engine braking going downhill.  
You can use the clutch for  
more exact control in "rocking"  
out of mud or snow.

*It's Economical*  
—both in original cost  
and in upkeep. There's no  
complicated mechanism to  
get out of order or to adjust  
and maintain.

*"It saves me around 2 gallons of gas each day,"  
says this rural mail carrier*

"Vic" Hammer is a rural mail carrier out of Appleton,  
Wisconsin. He drives the same route every day. He has  
400 boxes, which means lots of starting and stopping.  
He used to use between 5 and 6 gallons each day.

Recently, Mr. Hammer purchased a new 1953  
Plymouth equipped with Hy-Drive\*. He is now using  
between 3½ and 4 gallons of gas a day on his route.

"I think this is an amazing performance," Mr. Hammer  
says. "I'm saving around 2 gallons of gas for the route  
each day. And it's 100 per cent easier serving the route  
now that I no longer have to shift gears."

\*Hy-Drive is available on all new Plymouths at low extra cost
